## 200,000 EXPECTED TO VISIT 1963 FUN FAIR

### Mercantile Lunch-O-Ree

Chicago's merchants will honor Scouting at the Mercantile Lunch-O-Ree on May 16, according to **James F. Tobin**, President of Wieboldt Stores, Inc., and general chairman of the event. Some 300 merchants are expected to attend the \$25-a-plate luncheon in the Grand Ballroom of the Conrad Hilton.

The Council's other two Lunch-O-Rees are sponsored by the labor unions and the construction industry. The three Lunch-O-Rees are expected to exceed their goal of raising a total of \$65,000 in the Council's 1963 finance campaign.

### Philmont Expedition Leaves July 13

The Council's yearly expedition to Philmont Scout Ranch, near Cimarron, New Mexico, will leave Chicago on July 13 for two weeks of adventure that a Scout will never forget.

Every one of Philmont's 127,000 acres has some new adventure to offer each Explorer or older Scout who makes the trip, and Scouts just can't believe that two weeks at Philmont pass as quickly as they do.

Hiking, fishing, riding, camping and panning for gold are all the order of the day at Philmont, along with much more, in a part of the world far removed from the city's smoke and sidewalks.

The entire trip, including transportation, side trips (to Pike's Peak and Denver), food and camp fees, costs \$140 per Scout. Leaders for the Philmont Expedition will be provided by the Council.

### Summer Camp

It's the dream of every Scout to go to camp . . . to experience the thrill of fun and adventure in the great out-of-doors.

Camps Owasisippe, Kiwanis, the Region Seven Canoe Base and Philmont offer an outdoor experience that a Scout or Explorer will not soon forget, at a fee within reach of just about any boy.

If your troop does not have their summer reservation in already, now is the time to send it in.

Further information is available at the Boy Scout Service Center.

### Ticket Sales Booming, Some Unit Spots Open

Everybody out for the Fun Fair! In a short time that cry will ring out all over the Council as almost 1,000 units and 200,000 visitors turn out for Chicago's biggest Scouting show. Scheduled for May 17-18-19 at the International Amphitheatre, the Fun Fair will be a huge assembly of Scout booth shows, arena shows, and everything that's part of the fun of Scouting.

Ticket sales in the districts are off to a roaring start, with one report that a Scout from Frontier District had sold a total of 150 tickets by April 20, winning a total of 14 prizes, ranging from a "Do Your Best for America" neckerchief slide to a miner's tent!

At the Fair itself each unit can really shine, showing off its specialty to a huge number of visitors. Competition between units should be intense, and of course prizes will be awarded for the most interesting booth shows.

A few booth locations are still available in each district, but you'd better hurry, time is getting short. Contact your district Fun Fair chairman and see the last issue of the COUNCILer for all the details.

### Council Women's Reserve Elects Officers

The Council's Women's Reserve has announced the following slate of officers, elected at its April 18 meeting: **Mrs. Dorothy Kirstein**, Arrowhead District, president; **Mrs. Alberteen Lillard**, South Central District and **Mrs. Olive Melzer**, Calumet District, vice presidents; **Mrs. Diane Kende**, Thunderbird District, recording secretary; **Mrs. Viola Petrick**, Marquette District, corresponding secretary; and **Mrs. Dolores Indstad**, Arrowhead District, parliamentarian.

The Women's Reserve is made up of 90 wives of Scout leaders, former Den Mothers and other interested ladies from the community. Ladies interested in joining may obtain further information at the Scout Service Center, or call 782-3990.

### Training Program Announced

The Council Junior Leader Instructor Training Course will be held at Valley View Training Center August 17 through August 25, according to **Russ Anderson**, Council Leadership Training Committeeman who will serve as Scoutmaster for the course. An extra half day on August 25 will be necessary this year to complete training and break camp.

Each district in the Council has until May 10 to select two junior leaders to attend this course. Candidates for training must be at least First Class rank, 13 years old and either a senior patrol leader, assistant senior patrol leader or being considered for those positions.

For further information call the Council Education Service, 782-3990.

### The Ticket Scoreboard

With almost 1400 Cub, Scout and Explorer units signed up to sell Fun Fair tickets, present estimates are that more than 200,000 tickets will be sold.

This means that commissions returned to the individual units will total \$50,000, and that the boys in those units will win literally tons of prizes.

A real demonstration of the strength of Scouting!

Notice anything different about this issue's masthead? That Scout-clown crops up in the strangest places these days—store windows, subway platforms, inside buses, and at the Fun Fair in the person of thousands of busy Scouts. He'll be doing his stuff for all of Chicago May 17-19 at the Amphitheatre!

## Along the Scouting Trail

By ALDEN G. BARBER

Recently we had the opportunity to dine with over 600 unit leaders and their wives at the climax of the Governor Kerner Achievement Program. It was an exciting evening because it represented better Scouting for the boys in these units.

Already over 1400 units are signed up in the 1963-1964 Achievement Program and are working to improve the quality of Scouting for their boys. **One of the hallmarks of an effective pack, troop or post is a good outdoor program.**

With the advent of good weather every unit leader should be thinking about putting the **Outing** into **Scouting**. Don't forget that you can earn 30 points in your Achievement Program by conducting an effective outdoor program.

The Council offers many opportunities to assist you, such as the full-scale summer camps at Owasispe and Kiwanis; the weekend opportunities at Yorkville and the other near-in camps; the Merriam Explorer Base near Wautoma, Wisconsin; and the special activities at the Region Seven Canoe Base and Philmont Scout Ranch. Don't forget that Cub packs are welcome on a father-and-son day basis.

**Three-fourths of Scouting is Outing!**

## Scout Distributor Listing Available

The Boy Scout National Supply Service has authorized nearly 30 clothing and department stores in the Chicago Area Council as official distributors of the complete line of Boy Scout uniforms and accessories. These neighborhood and Loop stores are evenly spread throughout the Council.

To find the name of the Scout distributor nearest you, call the Scout Service Center, 782-3990.

## Explorers on the Go!

There's no merit badge in Ocean Hoping; but if there were some of our Scouts and Explorers would have it this summer.

Scheduled for July 10 is the beginning of the Region Seven Scout Exchange Project that will send a number of lucky Region Seven boys to Sweden, to live for almost a month with a host troop of Swedish Scouts. Boys selected for the trip must be 14 years of age by July 10.

Five Scouts will represent the Chicago Area Council at the World Jamboree in Greece August 1-11. These lucky Scouts will spend a week before and a week after the jamboree touring Europe, with stops in London, Venice, Switzerland and Rome.

Closer to home and closer at hand are the Regional Explorer Delegates' Conference at Great Lakes Naval Training Center on May 3-5, and the 1963 Explorer Encampments, also at Great Lakes on May 24-26 and June 7-9. The first encampment is for Sea Explorers only; instruction will be given in sailing, seamanship and related subjects. The Encampment held June 7-9 is the Chicago Area Council weekend at Great Lakes, open to all Explorers. Cost for each weekend is \$4.00 per boy.

Applications for the above are available from the Council Activities Service.
